Dear Parents, Teachers and Boys,

Welcome to the new school year!

It is my great pleasure to welcome all the G1 boys and your families to our big Diocesan family. The hardest part is over – getting in! I hope that this is the beginning of a wonderful journey at our school. For those returning, I trust that you are refreshed after a long summer and excited about your new class.

As I write this message, my elder son is preparing to enter the secondary division after a fruitful six years in the primary division. I must say that time passes by quickly – I still remember vividly the moments when we walked up the steps, hand-in-hand, to start his first G1 day. From the anxiety of that moment, to the relief and gratitude we experienced just a few months ago at the G6 graduation dinner, there are so many fond memories and experiences that we parents all shared and went through during our boys’ six years here.

While there were many memorable moments, some of the most precious memories were with the PTA, including our annual outing, our soccer fun days, our fund-runs, etc. Having served as a committee member for the last six years and as Chairperson for the past two years, I feel privileged to have contributed and participated in the school’s development during this period.

As I think back on our past activities, I am deeply grateful for the commitment and energy from all our committee members and parent volunteers, past and present. Your sacrifices and willingness to serve are reflective of the spirit of DBS, and undoubtedly will leave behind a legacy for your boys to inherit as they grow up.

Below are highlights of our major activities this past year. It is impossible to include all our activities here – many others will be mentioned in our committee members’ individual sharing.

**Annual General Meeting**

More than 200 members attended the AGM, voting for the 12 parent members of the PTA for 2014-2015. These 12 parent members, along with the Headteacher, four teacher representatives, and the Immediate Past Chairperson made up the 18 members of the committee. We thank all the parents who stood for the voting (it is never an easy experience to give a speech in front of all the parents) and we especially want to thank those who did not make the committee but continued to support PTA events in a volunteer capacity.

**School Fete**

Our participation in the 60th annual School Fete was successfully coordinated by Ms. Paulina Pau and Ms. Erika Rasmussen. From contributing gifts and donations, serving the Fete Lunch, to helping with the games stalls, to volunteering with the Headteacher stalls, our over 200 parent volunteers were critical in making this event a resounding success.
Cleaning Day
Mr. Wilson Mo helped coordinate our annual Cleaning Day with over 120 parent helpers. In this traditional event, our boys cleaned their classrooms and also listened to the talk given by Professor Ronald Li on cloning with a lot of enthusiasm. We also had an opportunity to thank our school janitors for their hard work.

Cultural Events
Mr. Freddie Hai organized a martial arts seminar this year featuring Mr. Zhang Jin, who shared with us his journey and career as a martial arts practitioner and now a movie actor. Everyone was very motivated by his sharing. The event was very well attended by both PD and SD boys and their families.

May Outing
This year’s outing to Tai O had our largest attendance to date with 888 participants. Special thanks to Ms. Betty Yim for a great effort in coordinating this massive event – it really takes a professional to make this happen flawlessly! It was wonderful to see the turnout from our parents, teachers, students and siblings.

Soccer Day and Sports Activities
Dr. Peter Lam and Dr. William Chan ensured that our Sports activities continue to be one of our most popular PTA parent-son activities. In addition to our ever-popular Soccer Day and soccer practices, this year we added in a Sports Fun Day, as well as basketball and yoga! Special thanks to the very high-spirited Sports sub-committee members for a great year!

Parents’ Seminar
Chaired by Ms. Erika Rasmussen, we held two parents’ seminars this year. Our first seminar featured Professor Kai-Ming Cheng, who talked about education and the challenge faced by parents on authentic learning vs. test scoring. The second seminar featured Ms. Nancy Loo, who shared with us her perspectives on music learning and gave us a masterclass on how to truly immerse in music. These seminars were enjoyed by the over 300 parents who attended.

Traffic Sub-Committee
Chaired by Ms. Agnes Ching, our Traffic Sub-Committee helped smooth out our traffic challenges at the school. Every year we face an increasing challenge with more private cars going up and down our drive. Our Traffic Sub-Committee was crucial to smooth out these issues, as well as to serve as an intermediary between our school bus operator and our parents.

Lunch Sub-Committee
Chaired by Ms. Annette Tam, our lunch sub-committee is made up of parent volunteers who help to monitor and give input to our food caterer. A number of food tasting sessions and kitchen visits were organized throughout the year, as well as a survey taken to provide suggestions on improvements. We want to thank all of the parents who participated and gave us invaluable feedback.

Open House
At our Chinese New Year annual open house, PTA ran a selling stall and our own PEP (PTA Exco Production) Cafe, which proved to be hugely popular as we ran out of coffee and snacks quickly. Thanks to Ms. Paulina Pau, Ms. Erika Rasmussen, and Dr. Peter Lam for coming with the idea and making this happen.

Annual newsletter
Special thanks to Mr. Henry Wong for producing this wonderful newsletter – it is a lot of work chasing after everyone for their contributions, but nevertheless, the quality keeps getting better and better every year!

Grade 6 Graduation Dinner
Our annual G6 graduation dinner was held at the Crowne Plaza Hotel this year. Chaired by Ms. Peggy Chan, the graduation dinner organization committee worked tirelessly for months to prepare for this event. With a glitzy program of singing, dancing, speeches and celebration, everyone had a wonderful time and it was a great way to celebrate our 6 years with the school.

As I depart from my role as Chairperson of the PTA, I look back with pride and gratitude. As an old boy and a parent, it is wonderful to play my part in keeping the DBS flame alive. With 146 years of history, our task is to leave behind a school that is better for the boys who will come after us. It is with this spirit that we support and work with each other at DBS in our respective capacities.

I want to thank our PTA committee members again for a wonderful year, with a special mention to our Executive Committee – Vice-chairperson Peter Lam, Treasurer William Chan, and Secretaries Paulina Pau and Freddie Hai. I would also like to thank Ms. Phyllis Lo and her wonderful team of teachers, Mrs. Chandni Rakesh, Mr. Andrew Kwok, Mr. Anthony Lau and Mr. Nick Leung for their faithful contributions.

With gratitude,

Joe Ngai
The 2014-2015 school year has been a year of great blessings. Many successful and memorable functions were organized in collaboration with parents, and all events have been well attended. I hope all parents would share my joy to see our PD boys benefiting from the great variety of events organized, funded and supported by the PTA, which include the Garden Fete, School Cleaning Day, PTA Family Outing, Parents’ Seminars and G6 Graduation Dinner.

I am pleased to report to parents about the Annual Giving Programme which was launched in December 2014. With the input of lots of parents who volunteered to serve as Class Ambassadors and the support of many of our PD parents in recognizing the school’s needs, we were able to undertake and complete a number of long-awaited projects which include replacing all existing air conditioning units in the classrooms, installing additional mosquito repellent machines and an extensive landscape improvement scheme. At the beginning of the new school year in September 2015, our boys will be able to enjoy a vastly improved learning environment.

I would like to take this opportunity to thank all members of the DBSPTA-PD, especially the Chairman, Mr. Joe Ngai, for their excellent work in organizing the PTA activities and their support in all fund-raising events organized by the DBS Foundation Limited this year. The 2015-2016 academic year will undoubtedly be another exciting year, and I look forward to our continued partnership and your full support!

Ms. Phyllis Lo
Headteacher of DBSPD
August 2015
It is a great honour for me to have served in the PTA as the Vice-chairperson in the past school year. We had another busy school year, and I enjoyed working closely with our dedicated PTA colleagues in the year round PTA activities. The school fete, open house, cleaning day, parent talks, outing, sport and cultural events were all well organized and the lunch and traffic issues were monitored and handled through their respective committees.

There are new initiatives in the past year, which included the establishment of Sports Committee and the running of a Café stall in the Open House. The Sports Committee was established in Dec 2014 with the objectives of promotion of healthy exercise and provision of additional choices (e.g. athletic, basketball, yoga) for our boys and parents other than soccer events. We have organized three major sports events namely the Soccer Family Fun Day, the PTA Games Day and the PTA Sports Day with 200 – 400 participants in each event. I need to thank our team of enthusiastic parents, teachers and coaches and your participation in making these events successful and memorable.

The PEP (PTA Executive Production) Café 2015 was the first time we ran a drink stall providing coffee and other beverages in the Open House. The response was encouraging and hopefully more refreshment choice will be offered in the coming year. Special thanks to Paulina, Erika and Freddie and parents who have supported the Café or sales stall in the Open House.

I have to thank our dedicated school teachers who have provided tremendous support to PTA in the school year. Special thanks to Ms. Lo, Mrs. Rakesh, Mr. Kwok, Mr. Lau, Mrs. Yip, Mr. Leung and Mr. Ryan Lee.

My boys will be in Grade 6 and 4 in the coming school year. I am gratified with the privilege to be involved in school activities and have followed the development of my boys and school so closely in the past few years. In my five year PTA journey, I met parents in different grades, and many have become my friends. I am very thankful to my PTA colleagues, parents and teachers who have been supporting me in the past few years. I treasure my time in DBSPD, and PTA has given me something special in my life.

Dr. Peter Lam
It has been a privilege to serve in DBSPD-PTA for three consecutive years. I was invited to take part in a few major events during the school year 2014-15. Through organizing School Garden Fete, PEP Cafe on Open Day, Parent Volunteers’ Tea Party and working with other committee members on sports related events and Cleaning Day, my involvement in PTA and interaction with school and parents have been widely broadened. Not only have I witnessed the growth of my sons in their beloved school, but I have also learned a lot from the work of the PTA. In addition, I am also the Secretary of PTA, which is a new challenge to me!

School Garden Fete and Fete Lunch were successfully held on 9th November 2014. It was also my third year to have helped organize these big annual events. I was very happy to work on Fete Lunch with Grade 1 PTA representative Erika, who had dedicated a lot regarding lunch planning and arrangement. I also took care of all the preparation and logistics of other important sessions of School Garden Fete, including but not limited to the games and sales stalls, donation, packaging and distribution of donated items and recruitment of parent helpers too.

I was really amazed by the heartfelt and holistic support from over two hundred parent volunteers. In particular, I was so touched by the positive response of the parents, who sacrificed their precious time playing with the boys to help out. We all sweated out during the day but I saw lots of smiling faces around me.

I would like to express my special thanks to Ms Sylvia Huang, an expert in organizing School Garden Fete, for her valuable advice and experience sharing. My wholehearted thanks for Peter, PTA Vice Chairperson, who provided great support all the way from event planning stage to the event day, and accompanied me and Ms. Lo to visit each game stall, PTA Sales Stall and PD Sales Stall to show her great support, appreciation and encouragement to parent helpers, student helpers and teachers.

Without the support from Ms. Lo, Mrs. Rakesh, Ms Jackie Lau, all the teachers, PTA, parents and my family, the annual School Garden Fete and Fete Lunch definitely could not have been a success! I also thank parents to have elected and entrusted me to the PTA job. To me and my family, 2014-15 is a school year full of challenges, surprises, shocking moments, worries, happiness and tears, but I am glad that I am surrounded by love, blessings, care and support and I can embrace challenges and overcome difficulties. Think Positive. Do My Best will always be my motto!

Ms. Paulina Pau
Secretary
Convenor of Social Activities
Organizer of School Garden Fete DBSPD
As a new G1 parent last year, I joined the PTA Committee to learn more about DBS through serving in the community and to become a better informed parent. My son was transitioning into a new environment from kindergarten and it seemed a natural way to stay in touch with his new community life.

What I did not expect was a thrilling ride on a super charged machine, dedicated to its cause yet nimble enough to tackle sensitive parenting issues. The first challenge came in September 2014 when we were tasked to re-route school buses to minimize disruption in case of a prolonged Occupy Central movement. I learnt firsthand how deeply resourceful and supportive DBS parents were to our children and the school. It made me very proud to be part of a dedicated team at PTA serving as an effective conduit between teachers and parents in times of need.

In a more festive mood, I volunteered to co-ordinate the Garden Fête Lunch project in November. It involved recruiting parent helpers to participate in this time honored tradition to raise funds for the school at our annual School Fête, held at the second Sunday of each November. The scale of operation is formidable even for us homemakers: three dining areas serving hundreds, five ticketing booths scattered around campus, fifty parent volunteers working on shifts with dedicated tasks, ranging from guest registration to serving food to directing traffic. From planning to implementation in six weeks! DBS is truly well blessed with wonder parents, who devoted their precious time and effort generously to make things happen despite a very tight schedule. In this joyous community spirit, we laughed, we fretted, we toiled, and together we pulled through with resounding success and many happy memories! It has been a whirlwind baptism of fire, and I am humbled by the generous spirit of everyone who volunteered selflessly to serve our beloved school and to celebrate a worthy tradition. Special thanks to Ms. Paulina Pau, Dr. Peter Lam, Ms. Sylvia Huang and Mrs. Catherine Hai for their outstanding guidance.

Mrs. Erika Rasmussen Vun
Organizer of Garden Fête Lunch
While being busy with my boys’ second term assessment, preparation for the first ever PTA Family Games Day was on the way, and it finally arrived on 29 March 2015. The event aims at promoting physical and mental well-being development of the boys, as well as providing a chance to get together between families. We have designed a set of competition models suitable for the whole family to participate, which includes obstacles run, long jumping, vortex throw and many others. The response was overwhelming and more than 400 participants joined the games.

On this beautiful and hot Sunday, boys and parents were so well groomed in their sportswear. It was indeed a sight to watch and admire! Volunteers from the secondary school athletic team, athletic teachers and parents guided the participants to their spots and the competitions took place in an organized manner. It was amazing to see boys and parents thriving with their hearts and souls in the games. Their enthusiasm boosted up every volunteer’s spirit despite working with sweats and tiredness. There was an ultimate moment of pleasure for winners when, amidst loud clapping and shouting of cheers, they got medals for their great performance from Mrs Rakesh. And of course it couldn’t have been better to have a cup of ice cream after the sweat! After all, the thrill, the excitement and the applause are all moments to be remembered. I look forward to another successful Family Games Day by the PTA in the year 2016!

Dr. William Chan
Treasurer and Convenor of Sports Committee
Family Soccer Days

7 Dec. 2014
We held the School Cleaning Day on 12th February 2015. More than 120 parents joined the event as volunteers, judges and photographers on that day.

It was quite a unique learning experience teaching our boys to look after and maintain the cleanliness of the campus. It also provided an opportunity for our boys to show appreciation to the school janitors.

The cleaning activities were followed by a health talk delivered by Professor Ronald Li. Our boys worked very hard to clean their classrooms with the aim of winning the champion shields.

I am grateful to the parent volunteers and PTA team for their support and participation.

Mr. Wilson Mo
Convenor of School Cleaning Day
Once again, I would like to thank our Headteacher Ms. Lo, teachers, janitors, parents and students! The family outing was an amazing day of fun and fellowship for all students, parents and teachers. I am most grateful for the support, enthusiasm and patience from all of you, which made this event so enjoyable and memorable!

Ms. Betty Yim
Convenor of PTA Family Outing

We had 888 participants for Family Outing this year! What an encouraging number for us! As in the last few years with no exception, 2015 Family Outing was held on 1 May. This year, we visited “Venice of Hong Kong” – Tai O and then took a boat trip to chase the Chinese white dolphins.

Since we had such a big group of participants, it was a real challenge for logistic planning. Apart from the itinerary setting, weather on that day was also our main concern because we need to take the ferry to Tai O. Had there been rain or thunderstorm, it would have been a big disappointment. Nevertheless, blessed by God’s grace again this year, we had a lovely sunny day.

On that day, we all gathered at school campus first and then sat out to Tuen Mun pier. We were separated into three groups to take ferry. After arriving Tai O, we strolled along the famous stilt houses. Most of us were interested in buying dried seafood, shrimp paste, street food, etc. Due to the limited time but long journey, I would say it was rather rush for each spot. However, this did not affect our joyful mood as friends, classmates and teachers were enjoying hanging out together.
As Convenor of Academic and Educational Affairs, I was tasked to organize two Parents Education Seminars during the academic year. I was keen to make these relevant but fun at the same time. The first seminar was held in December featuring Professor Cheng Kai-Ming. Professor Cheng is a world renowned education expert, but instead of discoursing over our academic syllabus, he invited us to think of ways to educate and equip our children outside of the class curriculum to prepare them for the real competitive challenges in life. Our Headteacher Ms. Phylis Lo also shared her insights on education. My biggest takeaway is that the world is moving away from an “either/or” paradigm and our children will need to learn to be comfortable with chaos. Things don’t always happen along the expected path. As parents, the best thing we can do for our children is to inspire their natural curiosity and encourage them to explore and to discover. Self-taught methods like the flipped classroom returns learning to students and can be very beneficial. Lastly, it is never too early to teach our children about their place in society by emphasizing social responsibility, positive attitudes and global citizenship. Unsurprisingly, Professor Cheng was surrounded by parents after the official session with dynamic exchanges lasting well into late afternoon, when he had to hurry to his flight for Qatar. The session was well attended by around 150 parents.

The second seminar was held in May and featured renowned pianist and educator Ms. Nancy Loo, who spoke about life lessons through music practice. Before the Seminar began, the audience was treated to a timely and useful update on the Annual Giving Program by Mr. Pang Kin Kee, Convenor of the Endowment & Administration Sub-Committee of DBS Foundation Limited, and Ms. Phyllis Lo our Headteacher. Coincidentally, our PTA President Mr. Joe Ngai was a former student of Ms. Loo and he graciously volunteered to host an on-stage dialogue with Ms. Loo. The audience came alive under Ms. Loo’s brilliant performance and her creative methods to draw in the crowd. The highlight was when our Headmaster Mr. Ronnie Cheng joined Ms. Loo and Joe on stage for an impromptu demonstration of music rhythm. Our enthusiastic parents and students also performed a dance on stage to illustrate musical movements. The session ended on a high note with everyone wanting more of Ms. Loo’s advice well after the official dialogue ended! All in we had over 220 parents and children registered for this seminar.
These Parents Education Seminars would not have been possible without the generous support of the DBS community. I would especially like to thank our Headmaster Mr. Ronnie Cheng, Headteacher Ms. Phyllis Lo, Mrs. Chandni Rakesh, Mrs. Emily Yip, Mr. Anthony Lau, Mr. Nick Leung and Mr. Andrew Kwok for providing invaluable guidance throughout. I am also most thankful to our PTA Exco team for their great teamwork and camaraderie! Lastly, I am deeply grateful to our supportive parents and teachers, who are a constant source of inspiration. It is the selfless spirit of everyone in the community which gives our school its greatness and its undefiled heritage. With your support I humbly look forward to the opportunity to serve the school and our community in the years ahead.

Mrs. Erika Rasmussen Vun
Convenor of Academic and Education Affairs

Lunch Sub-committee

Last year was a very fruitful year to DBSPD lunch committee because many activities were organized for the boys and their family.

April was the Fruit month organized by the HK government. Chartwell organized a fruit day for our boys: all 5 free fruit tasting provided during lunch period. Boys loved the fruit tarts, fruit skewers, and the berries smoothies. When they knew they could win the prize of Lego after finishing all fruit items, they were super excited. They had a great fruit day, many thanks to our parent volunteers who had helped to prepare for 4 hours before the event.

Chartwell also organized Fun into Food, with 3 activities for different grades. Grade 1 and Grade 2 learned to make fruit smoothies in their classroom. Grade 3 and 4 made salads in their classrooms. Grade 5 and 6 held a competition on making a nutritious menu in the hall. It was indeed so much fun.

We also organized lunch tasting and kitchen visit for parents. Most of the parents are satisfied with our kitchen hygiene and arrangements.

I am very happy to serve the school PTA for 3 years. It has been a great pleasure to work with the school and our PTA colleagues. I feel satisfied to have requested our lunch supplier to work on the nutrition level for our lunch menu.

Ms. Annette Tam
Convenor of Lunch Sub-committee
2014-15 had been a year of exploration for me, as I took up the post of Cultural Activities Convener from my predecessor, Sharon, who was indeed unsurpassable in her rigour, knowledge, and devotion to the job. With the generosity of friendly sponsors, the year started with several concessionary music performances in December 2014. The high point of the cultural calendar was the first-ever Chinese Kung-fu Cultural Talk jointly organised with DBSSD in January 2015. Boys from both the DBSPD and SD performed on stage to promote student interests in Chinese Kung-fu. We had also invited the famous Kung-fu master and movie star Mr. Zhang Jin (張晉) as our Guest of Honour to come share with us his encouraging personal stories on the value of perseverance, the overcoming of hardships, and the handling of failure. Mr. Zhang’s inspirational talk had indeed enlightened so many of our parents and boys who began to see winning, sometimes taken for granted in many aspects of the DBS school life, with a whole new perspective. Messages of appreciation from parents continued to pour in long after the Talk was over.

Finally, I would like to express my special thanks to Paulina and Sharon whose enthusiasm to the PTA has been a great support to the Team. I would also like to thank Ms. Lo for her support and openness for allowing new events to be tested. Last but not least, my deepest gratitude to Peter, who has been a great team captain, a good friend, and a guardian on my health too.

Mr. Freddie Hai
Convener of Cultural Events

Traffic Sub-committee

The main responsibility of the Traffic Sub-committee is to assist and supervise our school bus operator in keeping the standards of service to a satisfactory level, and also to help monitor the traffic condition within the campus. It is my great pleasure to have been the Convener of Traffic Sub-committee for the last 2 years.

School bus service is definitely crucial for many parents and students. In the past year, Poon’s provided a total of 27 school bus routes to serve more than 500 DBSPD students. Throughout the year we worked closely with Poon’s through regular traffic committee meetings and daily contacts.

It was a challenging task to us during the period of "Occupying Central". The traffic in Hong Kong was seriously affected as well as our school bus service. Every day I kept close contact with Mr. Cheung, manager in charge from Poon’s, for any sudden incidents leading to school bus delay or route change. SMS messages were broadcasted frequently to keep our parents posted with any updates. I want to express my special thanks to Poon’s for their cooperation and prompt reaction, and furthermore, to our parents for your great tolerance and understanding.

On the issue of traffic within campus, the problems of congestion and illegal parking during pickup time remain challenging. In view of this, a new private car pickup arrangement has been implemented starting from May this year. Moreover, in order to ensure the safety of our parents, students and other pedestrians, we have suggested to install railing along the DBS access road outside the First Assembly of God Primary School and Kindergarten. We hope that the Transport Department could respond to our request as soon as possible.

I would like to thank our Headteacher Ms. Lo, who has allocated her valuable time to join all our traffic meetings, and for her support to the Traffic Sub-committee. My heartfelt thanks also goes to Mr. Lau for his precious advice and devotion on dealing with the school traffic issues. I am very thankful for the commitment demonstrated by all the parent helpers who attended our traffic meetings and gave opinions or passed complaints to us, we couldn’t have done better without your inputs.

I look forward to your continuing support to the PTA and the Traffic Sub-committee.

Mrs. Agnes Ching
Convener of Traffic Sub-committee

In March, trips to the biggest annual talk-of-the-town visual art event, the Art Basel Exhibition, were jointly organised with DBSSD. Many senior boys and art teachers went to visit the eye-opening and thought-provoking artwork collections from all over the world. The visits reinforced the liberal education principles of DBS making it one of the most unique and embracing schools in Hong Kong.

A series of branding activities also took place this year – a PTA Football Club logo was officially launched canonising a team of high-spirited parent footballers to the School. A brand new hot drink stall run by the PTA, Café PEP, opened for the first time on this year’s School Open Day. Most importantly, the official PTA Logo is in the making, targeting for an official launch in the coming year.

Mr. Freddie Hai
Convener of Cultural Events
I had the privilege to be elected as a member of the PTA in the beginning of the school year, and I was thrilled to be the Chairperson of the Organizing Committee for the 2015 G6 Graduation Dinner. It has a special meaning to me, as my son Matthew would be graduating this year.

The task was challenging to say the least. We were faced with a new and bigger venue and an expanded guest list that included siblings as well. I am glad to say that the event went quite well and everybody enjoyed the evening.

Apart from the Graduation Dinner, I was also glad to be able to help out on many other school functions, such as the Garden Fete, Cleaning Day and Chinese New Year Fair. It was really enjoyable to see the boys in such high spirits in school functions and I was moved by their enthusiasm and sense of belonging to the school.

I would like to thank all who helped me along the way. The Graduation Dinner would not have happened as smoothly without the help of all the members of the organizing committee who worked tirelessly and gave their time and expertise in helping out.

To all the other PTA members and parent helpers who showed me the way during my rookie year, your support has made my life so much easier. I would also like to take this opportunity to thank the school for the support they have rendered, especially Ms. Phyllis Lo, Mrs. Rakesh and Mrs. Yip for taking their personal time to attend our meetings and advising us on various matters. Their guidance was invaluable.

As we look forward to a new and exciting school year, I would like to wish everybody the best of luck. May the new school year be the best ever yet!
